

CIRCUMCISION FEES

Medicaid does not cover circumcisions anymore. The doctors have discounted the fee and it is to be paid up front before the circumcision is done. The patient also has to pay the hospital fee up front. This is done in the business office at Highland Hospital. The fees are as follows:

Dr. Benny Popwell \$225.00

Dr. Kerry Tynes \$200.00

Highland Hospital \$220.00
